Hamburg, October 10<sup>th</sup> 2011: As of now, the “Great Restaurant & Hotel Guide 2012” – commonly named “Bertelsmann Guide” – is available with its 15<sup>th</sup> edition as compact reference book for restaurants and hotels in the bookselling trade.

This year 36 restaurants achieve the maximum and highly sought after rating of five chef’s hats. “A great endeavour for high quality can be noticed in many places for the benefit of the guests, what is naturally most delightful”, says editor Dr. Dieter Tippenhauer.

Our two “Specials 2012” – Culinary Dreams and Hotel-Specials – are once more available in two separate sub-vouchers, which will be a handy travel companion.

## **Awarded Houses:**

For 2012 the “Great Guide” has distinguished 27 houses for outstanding achievements in various categories. For example, prizes are awarded for: Cook 2012, Hotel 2012, Service 2012, Sommelier 2012. The prize-winning restaurants and hotels were selected with highest possible objectivity under consideration of various selection-criteria. Please find all awards in the press information below. For any queries in this respect, we shall be pleased to oblige.
